**MOTION OF
HAWKER BEECHCRAFT DEFENSE COMPANY LLC TO INTERVENE**

Hawker Beechcraft Defense Company, LLC (“HBDC”), by and through undersigned counsel, respectfully moves to intervene in the above-captioned case pursuant to Rule 24 of the Rules of the United States Court of Federal Claims.

Although Sierra Nevada Corporation’s (“SNC”) Complaint has been filed under seal and HBDC has not had the opportunity to review that sealed Complaint, HBDC understands from media reports that SNC seeks, *inter alia*, to set aside the corrective action taken by the Air Force with respect to Solicitation No. FA8637-10-R-6000 (the “Solicitation”) and to compel the Air Force to reinstate the prior contract award to SNC. If SNC prevails in this action, HBDC will be denied the opportunity to fairly compete for the contract at issue and, accordingly, HBDC has a direct and substantial interest in the outcome of these proceedings.

HBDC’s interest is not adequately represented by the existing parties, and the disposition of this action may impair or impede its ability to protect its interest. The grounds in support of HBDC’s Motion to Intervene are more fully set forth in the accompanying Memorandum of Points and Authorities.

Counsel for the United States and for Sierra Nevada Corporation have been notified of HBDC's Motion to Intervene, and the United States does not oppose the Motion. Counsel for SNC has indicated that he cannot take a position on the Motion until he consults with his client.

Accordingly, HBDC respectfully requests that the Court enter an order granting HBDC's intervention in this proceeding.

Respectfully submitted,

Dated: June 13, 2012
